

Check it off, gear up, and dive into the accelerator!

STEP	DONE?
<p>Is the EIC Accelerator the right funding instrument?</p> <ul style="list-style-type: none">• Is your company an SME/start-up (or small mid-cap)?• Does your company develop disruptive, high-risk innovations that have the potential to create new markets or disrupt existing markets?• Is your innovation a deep-tech solution that results from a longer development phase and, in the best case, represents a technological breakthrough?• Has your innovation completed at least Technology Readiness Level (TRL) 6 (“Technology verified in relevant environment”) at the time of application?• Is the development high risk?• Are the rights to the innovation secured?• Have you clarified IP issues and can you submit an FTO analysis with the full application?• Do you have a strong commercialisation strategy and are you committed to it?• Is your innovation scalable?• Are investors interested in your innovation?• Are you open to external capital?• Can you convincingly demonstrate the “need for European Union support”?• Is your company pursuing a growth strategy?• Is the team committed to growth? For example, is there someone in the team with many years of international sales experience (or are there plans to fill any skill gaps)?• Is there a plan to involve the team in the company’s success?	
We have created an EU login on the Funding & tenders portal .	
We have created the “ Participant Identification Code ” (PIC); assistance: Link to the manual .	
We have opened the call for proposals for the short application and started the application.	
We have completed the application (“Proposal - Part A and Part B”) and uploaded the following documents: <ul style="list-style-type: none">• Part B• Consent form• Pitch deck• Pitch video	
“Submit”: We have submitted the application.
