Section 2 – Sector of interest

Work programme	Horizon Europe – All Clusters
Topic according to the work programme	<p>OC Group can support Horizon Europe projects across all thematic clusters by designing and implementing high-impact activities for training, communication, dissemination and stakeholder engagement. Thanks to our expertise in developing secure digital learning platforms (based on ILIAS or Moodle), multimedia content, and inclusive outreach campaigns, we can strengthen the impact of any proposal.</p> <p>Cluster 6 – Food, Bioeconomy, Natural Resources, Agriculture and Environment We can design training programs for sustainable agriculture, environmental education, and biodiversity conservation. Our dissemination work can help to amplify research results to farmers, citizens, and policy makers, improving real-world uptake and impact.</p> <p>OC Group is a trusted, audit-ready partner with over 15 years of experience in delivering digital training platforms and communication campaigns tailored for public institutions and large-scale projects. Our transversal role ensures higher proposal scores in the Impact section and meaningful engagement of all target audiences.</p>

Section 3 - Description of the expertise and/or project idea

<p>Description of the expertise (max 2.000 characters)</p>	<p>OC Group (OC Open Consulting SB srl) is an Italian SME with 15+ years of experience in developing digital learning platforms and strategic communication frameworks for public institutions and European consortia. We specialize in the design, customization, and secure hosting of Learning Management Systems (LMS), using open-source technologies like ILIAS (www.ilias.de) and fully aligned with GDPR, accessibility and EU digital sovereignty principles.</p> <p>We provide comprehensive services for multilingual e-learning content, digital campaigns, and stakeholder engagement, and we are able to lead Communication and Dissemination Work Packages in Horizon Europe projects.</p> <p>We are currently WP leader in the project DIAMETER (GA 101177422 – Cluster 4, Twin Transition) and prime contractor for the national training infrastructure of the Belgian Ministry of Defence (BELADL), serving over 23,000 users.</p> <p>OC Group is a reliable and audit-ready partner, experienced in working with Ministries, national agencies, defence actors, universities, and innovation ecosystems across Europe.</p>
<p>Description of the project idea</p>
