-----------------------------------	---	--	-----------------

Short introduction of key areas of research:

Lifetech.brussels is the health cluster of hub.brussels, the Brussels Regional Agency for Business Support. Since 2015, lifetech.brussels supports innovative healthtech ventures and plays as an ecosystem animator. The cluster brings together more than 130 active members and delivers over 350 guidance and support actions annually to entrepreneurs, start-ups and SMEs active across medtech, biotech, digital health and healthcare innovation.

Former participation in a FP7, Horizon 2020 or Horizon Europe?

X NO

If you are offering your expertise and wish to join a consortium, fill "**CONSORTIUM SEARCH**"

Bear in mind that the document is meant for dissemination so beware of IPR and make sure the information can be shared publicly.

- it is **autonomous**

For the definition of SMEs, look at: http://ec.europa.eu/growth/smes/business-friendly-environment/sme-definition_en

FOR CONSORTIUM SEARCH

Description of your expertise:

One of our strongest assets is the MedTech Accelerator, launched in 2016 and recognised as the number one Belgian program dedicated specifically to early-stage medtech and healthtech ventures. Since its creation, the programme has supported more than 85 startups and academic spinoffs, helping founders transform promising ideas and technologies into structured ventures capable of attracting funding by validating their solutions and preparing for market entry.

Keywords specifying your expertise:

Startup Acceleration

- Business development
- Go-to-market strategy and commercialisation
- Investment readiness and fundraising support
- Mentoring and coaching
- Regulatory guidance and market access support
- Intellectual property (IP) strategy support
- Regional and European aid
- Ecosystem partnering opportunities

Commitment offered:

- ☐ Research ☐ Demonstration ☒ Training - Acceleration
☐ Technology ☐ Dissemination ☐ Other:
